Guidance Policy

The guidance policy at Northern Hills Day School is designed to develop a positive self-image. Discipline is not a form of punishment, but a means of teaching self-control with a Christian attitude. Our Day School teachers use consistency, redirection, positive reinforcement, structure and praise for appropriate behavior.

Religion

We welcome children of all faiths, and we endeavor to teach each child the love of God revealed in Jesus Christ.

Our Approach to Learning

At Northern Hills Day School, we recognize the importance in providing your child with a loving, Christian environment in which to grow. We offer the opportunity to learn through developmentally appropriate materials and experiences enabling each child to develop physically, socially, emotionally, intellectually and spiritually.

We believe children learn best through hands-on learning experiences. We encourage curiosity, questions and discovery of God's world. Our planned activities foster a creative environment that results in independence and a sense of accomplishment. Northern Hills Day School understands that a child's early experiences shape their future and last a lifetime.

Goals

- Strengthen Christian principles of caring, sharing and loving
- Develop social skills and the ability to work as a member of a group
- Encourage language development
- Enhance physical development and fine motor skills
- Promote a positive self-image in each child

Hours of Operation
